For purposes of this Contract, the amount of the rental cost associated with the booth selected by Exhibitor is referred to as the “Exhibit Booth Fee.”

*\*2025 booth cost through June 30, 2024. 2025 booth rates will be increased, effective July 1, 2024.*

● **ASSIGNMENT OF SPACE**

For all Applications & Contracts received on or before February 7, 2025, space is assigned via online space selection based on priority points.

Priority points will be totaled based on the last three years of participation (i.e. 2024, 2023, 2022, and 2021) to arrive at a cumulative point total for square footage and sponsorship and advertising contributions to INACSL’s top line for each exhibitor to determine priority placement in the assignment process. After each conference, the three-year period will change, moving forward by one year. For example, in 2025, determination of points will be made by reviewing square footage and sponsorship contributions in 2024, 2023, 2022, and 2021.

Exhibit space points are calculated on the basis of five (5) points for every 100 square feet, plus one (1) point for every \$1,000 in sponsorship dollars toward INACSL top line during a three-year period. Points are not awarded for “projected” exhibit space or sponsorship dollars, only for that which has been actually used and for which payment has been made in full. No points will be awarded for prior years’ exhibit space for which any balance is due to INACSL, or for exhibit cancellations or no-shows. Points may be deducted at INACSL’s discretion for violation of the official Exhibit Rules and Regulations.

Total points are calculated based on the following formula: 60 percent of the total is based on exhibit space points; 40 percent of the total is based on sponsorship points. The total points will determine the order of space assignment. Space will be assigned in the following order:

- 1st: INACSL Sponsors in order of sponsorship level and then point order
- 2nd: Non-Sponsoring Exhibitors

NOTE: Within each priority category, booths will be assigned starting with the company with the greatest number of priority points and working toward the company that has the least number of priority points. Companies that have an equal number of priority points will be assigned based on the date that the intent to participate form is received by INACSL.

Exhibitors may not, for any reason, assign or transfer their points for use by any other entity. Exhibitors who do not exhibit or sponsor for two consecutive years will forfeit their cumulative points.

Priority Points Calculation:

- Exhibits: 5 points for every 100 square feet
- Sponsorship: 1 point for every \$1,000
- Priority Points = (Total Exhibit Points x 60%) + (Total Number of Sponsorship Points x 40%)

For all Contracts received on or after the online space-selection date, will be assigned space on a first-come, first-served basis starting the week after the online space selection is complete.

If an Exhibitor is acquired by another exhibitor after their initial space selection, the acquired exhibitor can move to the acquiring exhibitor's booth without any financial liability. Alternatively, the acquired exhibitor may retain its contracted space to exhibit its own products and also may display the company name of the acquiring exhibitor but not the acquiring exhibitor's products.

Exhibitor should frequently review its space location and changes to neighboring booths/areas for updates to the floor plan. It is the Exhibitor's responsibility to keep up with changes to their assigned area. INACSL anticipates alterations to the initial plan and cannot be held responsible for changes that may affect a participating Exhibitor's selection of space. INACSL will maintain a waitlist for any Exhibitor who wishes to be placed in a different booth location after their initial selection. To be added to the waitlist, Exhibitor shall submit a written request, including the requested size of space to [exhibits@inacsl.org](mailto:exhibits@inacsl.org). Exhibitors are added to the waitlist on a first-come, first-served basis based on date and time of email receipt by INACSL.

INACSL reserves the right to change Event hours or dates, to rearrange the floor plan, and/or to relocate any Exhibitor as it deems necessary at any time.

- **LABOR RELATIONS**

- (a) Full-time employees of Exhibitor may set up Exhibitor's own exhibits without assistance from the local union. Any labor services that may be required beyond what Exhibitor's regular full-time employees can provide must be rendered by union personnel and can be ordered in advance through the General Service Contractor. Proof of full-time employment status may be requested by the Union Steward of any personnel working in Exhibitor's booth.
- (b) If Exhibitor intends to use an Exhibitor Appointed Contractor (EAC) to install and/or dismantle their booth, Exhibitor must register their EAC no later than **April 11, 2025**. An EAC registration form is provided in the Exhibitor Services Manual. An original Certificate of Insurance must be filed with INACSL in order for any EACs to gain access to the Exhibit Hall. The Facility follows the ESCA (Exhibition Service Contractors Association) Badging System. All EACs are required to wear both a Facility Access Credential and individual Event credential at all times.

The General Service Contractor controls access to the loading docks to provide for a safe and orderly move-in/out. Only full-time employees of the exhibiting company are allowed to hand carry items.
