

INTERNATIONAL NURSING ASSOCIATION for
CLINICAL SIMULATION and LEARNING

**Join the premier organization for
simulationists dedicated to advancing the
field for clinical simulation and learning.**

Learn more about the benefits of membership
at ***www.inacsl.org/join-inacsl-today***

WHY JOIN?

INACSL membership provides the education, resources, and tools that best address your current challenges and helps support your future goals of learning about the latest developments in simulation, all while providing you with the most comprehensive education and training for high quality patient care.

Whether you're new to simulation and are looking to understand the fundamentals or are experienced and seeking more detailed updates and research, INACSL membership provides the support you need with access to our growing network of simulation professionals.

MEMBERSHIP BENEFITS INCLUDES:

Access to a community of 1,800+ members

Access to two (2) complimentary on-demand CNE sessions per year

Discounts on [INACSL products](#)

Discounted registration rates to attend INACSL's Annual Conference

Instant access to the information you need to stay up-to-date and ensure consistency in your practice through access to the [Healthcare Simulation Standards of Best Practice™](#)

Receive forward-thinking perspectives and review research and clinical studies in [Clinical Simulation in Nursing](#), the official INACSL journal

Receive discounted membership with [INACSL affiliate organizations](#)

Connect and learn through the INACSL committees, [Special Interest Groups \(SIGs\)](#), [Regional Interest Groups \(RIGs\)](#), and community discussion boards

YOUR INACSL MEMBERSHIP ALSO ALLOWS YOU TO:

- Use the INACSL Member Directory to connect with passionate simulationists around the world
- Build invaluable professional connections and lifelong friendships
- Take your job search to the next level by exploring the [INACSL Job Board](#)
- Hear the latest updates from INACSL in our monthly [INACSL Current](#) newsletter
- Apply for [INACSL grants, awards, and research funding](#)
