

How to Claim CNE Credits from INACSL25

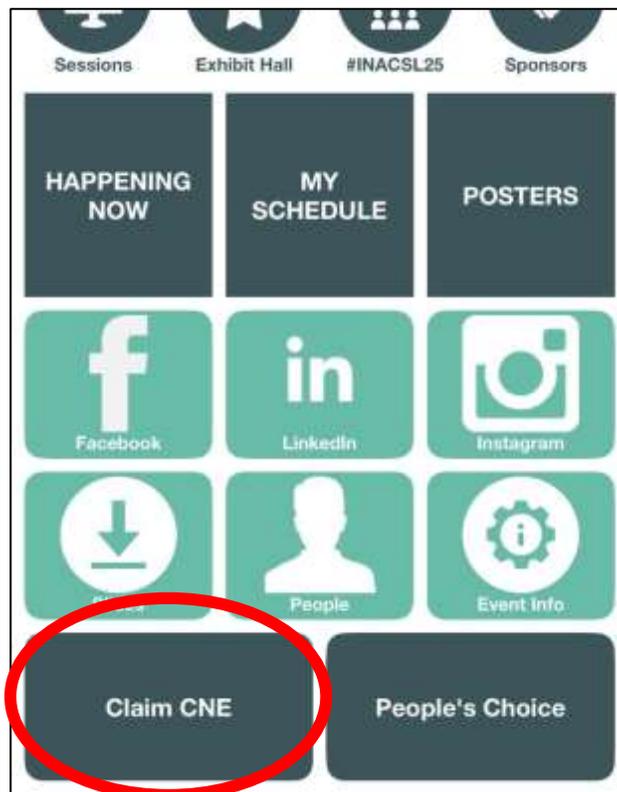

Thank you for attending INACSL25! In order to track all of your CNE credits from the conference, you need to complete the evaluation surveys for **each session you attended**.

This is how our system marks your attendance; if you attended a session but do not complete the evaluation survey, the CNE credit associated with that session will NOT show up on your CNE Certificate.

In addition to completing evaluations for each session you attended, you must complete the **overall conference evaluation**.

Thankfully, completing these evaluations is very easy!

1. Start by opening the conference app and clicking “**Claim CNE**” on the homepage:

- This will take you to the [INACSL25 Survey Magnet Website](#). Here you will see a list of required tasks:

TASKS (You have 3 left to complete out of a total 3 assigned tasks)

- Step 1: Select Sessions Attended and Complete Evaluation Questions
- Step 2: Complete Overall Conference Evaluation
- Certificate

- Click **“Step 1: Select Sessions Attended and Complete Evaluation Questions.”** On this page, you will see the entire list of CNE-eligible sessions at the conference.

Now, you must find the sessions you attended and complete those respective evaluations. Click the small downward arrow symbols next to the timeslot of the session(s) you attended to see the full list of sessions at that time. Once you find a session you attended, click **“Unlock Evaluation:”**
